Call ITPD today, for more details please contact: Jessica Clark or Willie Velandia at DIR@sigmasurveillance.com!

Warranties differ on each system, so please contact your rep or read each sku carefully. All systems can be configured specifically to your needs, so if you do not see exactly what you want below, or require a discount for quantity breaks, don't hesitate to call. Sigma provides a standard 30 day return policy on all defective units upon delivery.

Also please learn more about DIR contracts by visiting the DIR Go Direct Program Site at: <http://www.dir.state.tx.us/store/busops/go-direct/index.htm>

Sigma ITPD offers top of the line PC's & Notebooks to Government & Education clients throughout Texas as well as through interlocal agreements to entities outside of the state. These custom built systems can be augmented with the best of industry standard services including system set up, configuration, 5 year warranty's, buyback programs, and more! Call ITPD today, for more details please contact: Jessica Clark or Willie Velandia at DIR@sigmasurveillance.com!

Warranties differ on each system, so please contact your rep or read each sku carefully. All systems can be configured specifically to your needs, so if you do not see exactly what you want below, or require a discount for quantity breaks, don't hesitate to call. Sigma provides a standard 30 day return policy on all defective units upon delivery.

Also please learn more about DIR contracts by visiting the DIR Go Direct Program Site at: <http://www.dir.state.tx.us/store/busops/go-direct/index.htm>
